

Dear Parents,

Sub: Request to Fill Google Form for ID Card , Language Preference and India Today Advantage Magazine subscription

Greetings from GISN!

1. We would like to inform you that we are in the process of issuing identification cards (ID cards) to all our students. These ID cards will serve as official identification within the school premises and during school-related activities.

To ensure accurate and up-to-date information for each student, we have created a Google Form that needs to be filled out by all parents/guardians. The form will capture essential details such as the student's full name, grade, emergency contact information, and address.

We kindly request you to take a few minutes to complete the Google Form for your child/ward. The link to access the form is provided below:

2. This is an important update regarding the language preferences for Grades I - VIII and also for Sanskrit students (both second and third language). Under the Section 2 of Tamil Nadu Learning Act, 2006 (Tamil Nadu Act 13 of 2006), Tamil is a mandatory language for all students. **We request the Parents to opt Tamil either as a Second or Third language.**

Starting from the upcoming academic year, Sanskrit students will need to select either Tamil or Hindi as their language preference.

Please update your ward's language preference to the school office by 03 June 2023. You can do so by either submitting a written note or by contacting the class teacher.

3. We would like to bring to your attention an exciting opportunity to **subscribe to the India Today Advantage magazine at a special discounted rate.**
